

### *Canine Courtesy*

Once again, the PCA is hearing complaints from residents about some of the dogs in our neighborhood. Please observe the following practices regarding your dog, as specified by County law:

- If your dog defecates on property other than your own, you must immediately pick up your dog's feces.
- Dogs should be on a leash at all times when off your property.
- Unwanted contact with dogs is prohibited. In other words, do not let your dog approach people without first checking that the contact is desired (when the child is very young, we suggest that the child's parents should be consulted first).
- Know where your dog is -- if you put your dog out unsupervised, make certain that your yard is adequately fenced to prevent your pet from leaving your property.

### *PCA News Highlights*

- The Postal Service is planning to replace the mailbox clusters on Ambergate Court. The cold fall weather delayed the project, but it should be completed this summer.
- The 2009 assessment was due on January 31. Unpaid accounts received a second invoice, with a due date of April 30. In June, a third and final invoice will be sent to unpaid accounts. If you have not yet sent in your payment, please do so as soon as possible, or call the PCA to arrange for a payment plan.
