

Ask Not What Your HOA . . .

Can Do For You. But, rather, ask what *you* can do for your Home Owners Association! The Plantations Community Association is your HOA. We depend on the support and involvement of our residents to help us function well for the benefit of our community. There are many opportunities to participate in various capacities – from a minimal commitment of time as an occasional volunteer (such as assembling our newsletters, delivering newsletters and/or performing odd jobs or tasks) to helping as a member of a committee and/or serving as a member of the PCA board.

The Plantations is *our* community. Let's work together to make it the best it can be.
